

Zippered Bag

Create your own stylish and handy pouch or bag for your purse, makeup or other little things you want to keep gathered together. Perfect size for large or small purses, travel or those intimate overnights. Beginner sewing pattern.

Materials Needed:

8" Nylon Zipper & Charm or Fob

Scrap fabric & Scrap Lining

Matching Thread

1. Print and cut out pattern at the back page. Place pattern over fabric desired and cut 2 of your main fabric.
2. Cut 2 of your lining fabric.
3. Begin with lining. Press under top edge of lining 1/2" (both pieces). Stitch in place.

4. Lay zipper (open) face down on one edge of lining (note, right side of fabric faces down). Pin, then hand baste a line along the edge of the zipper to hold zipper in place (both sides in this manner).

5. Change your machine foot to a zipper foot. Using the zipper foot, carefully stitch along the outside edge of the zipper, assuring to remain on the zipper (both sides in this manner).

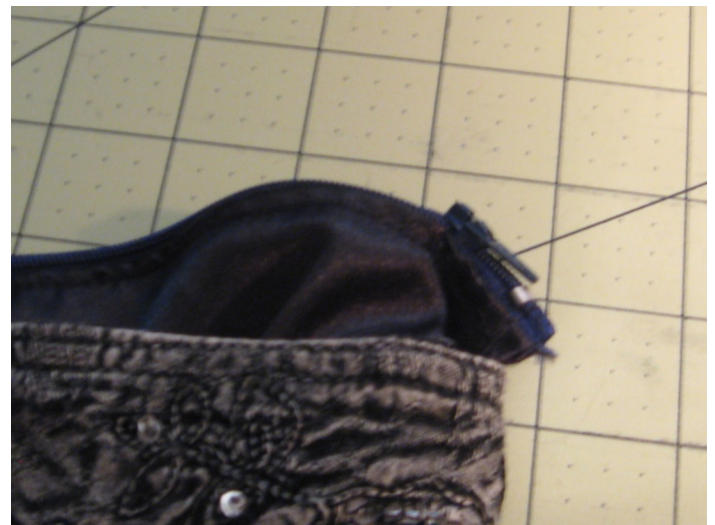

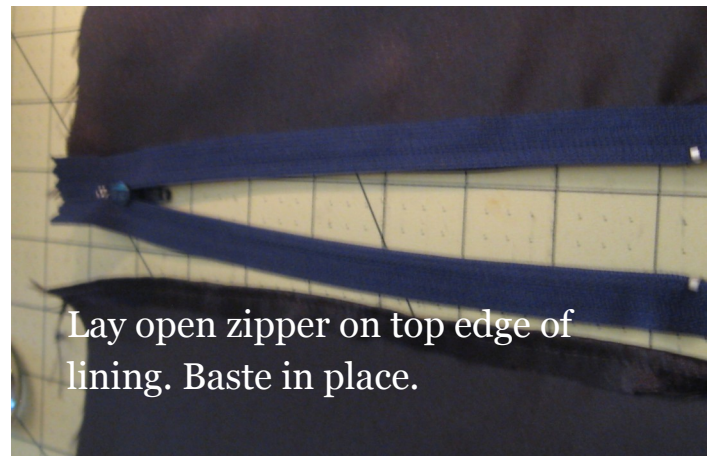

6. With right sides together and zipper open slightly, pin then stitch a 1/4" seam around all edges of lining. Set aside.

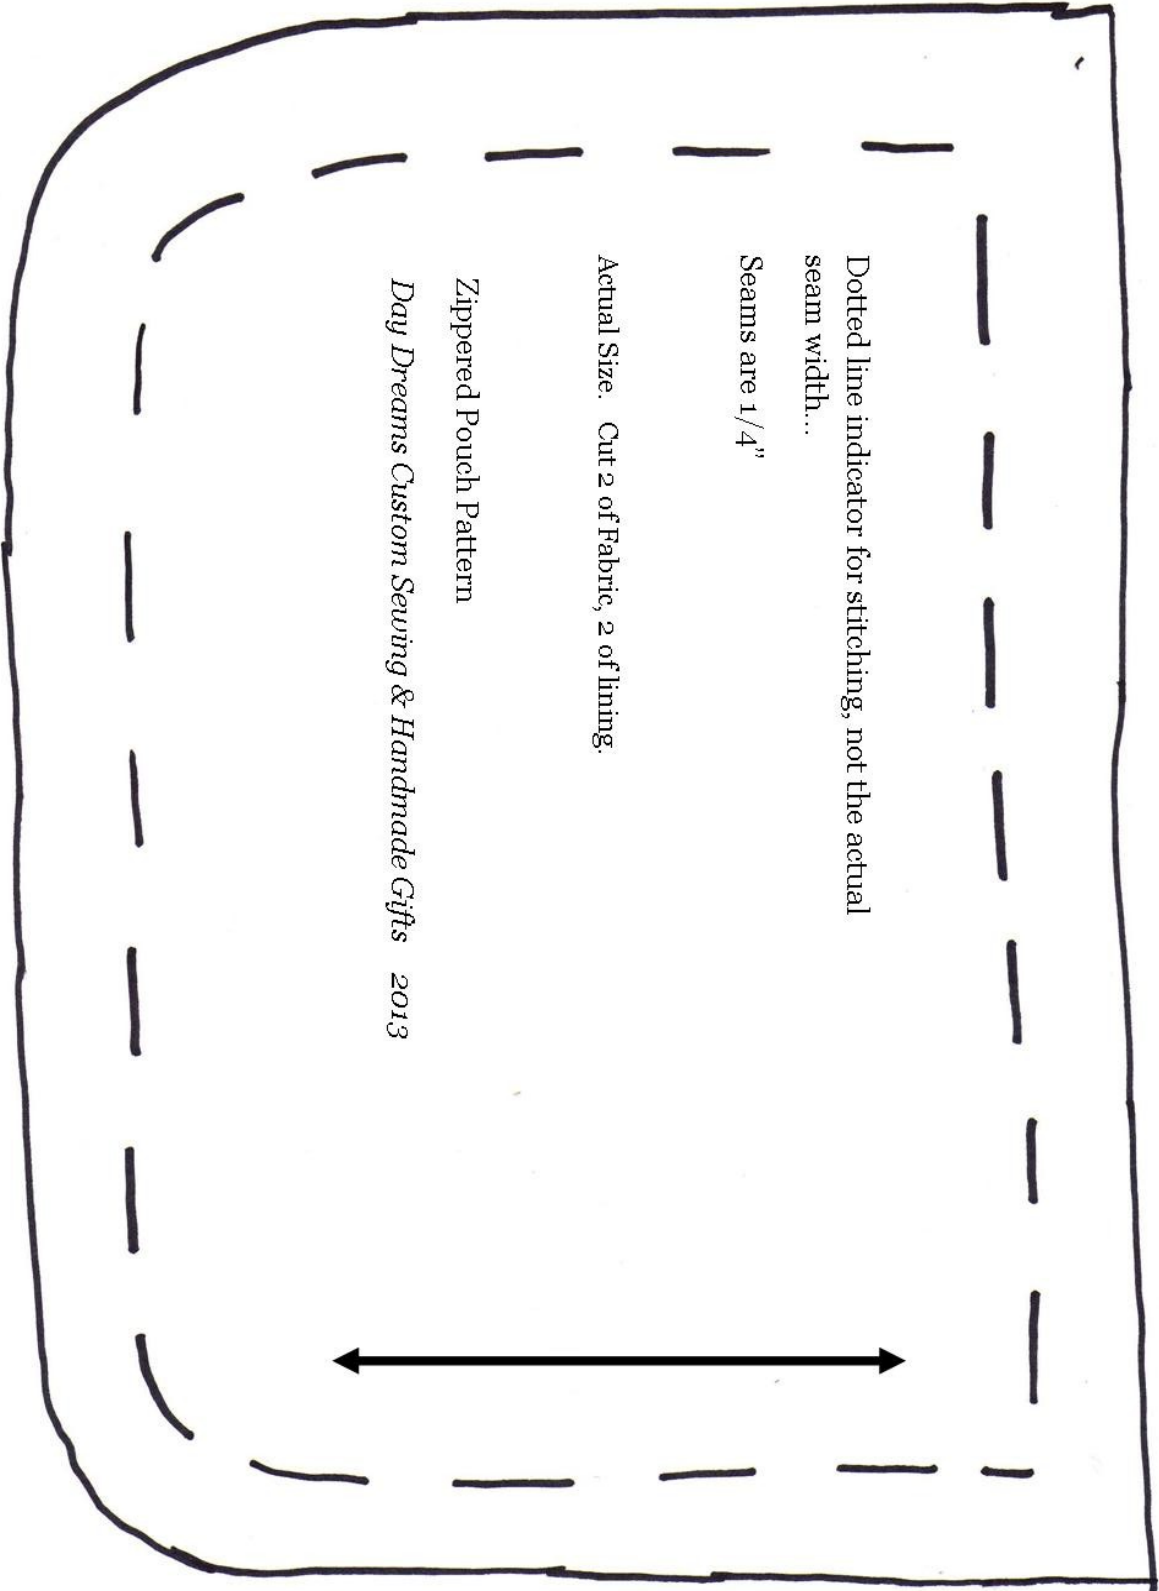

7. Place outside fabric with right sides together. Pin in place then, stitch around edges 1/4" seam. ** If your fabric is unfinished on the top edge, finish the edge with bias tape, or a folded 1" hem to the inside (wrong side).

8. Turn outside pouch right side out.

9. Insert lining pouch into outside pouch. Pin lining in place about 1/2" below outside finished edge. Stitch in place.

10. Place fob or charm on the zipper head tab.

Dotted line indicator for stitching, not the actual seam width...

Seams are 1/4"

Actual Size. Cut 2 of Fabric, 2 of lining.
