

Basic Button Sewing

Criss Cross: Using thread close enough to match the garment, insert the needle at A and push down and through to the back, then insert to push up at C. Pull thread a bit snug, then repeat at least 4 times. Next move to D and repeat same as for A/C. Tie off

Tac Stitch: Push thread down through A, back up at B and back down at A, etc. Repeat this at least 4 times. Move needle over to D and repeat the process you did for A, B. Tie off after you have run thread through at least 4 times.
